* The omission of the \flat to B (=D) in the early texts is, in the Editor's opinion, an oversight.

Catalogues of Interest to the Church Musician

OXFORD ANTHEMS, edited by ERNEST BULLOCK. This series contains anthems by contemporary composers of reputation with wide experience of the needs and capabilities of choirs. The music does not demand virtuosity or exceptional skill, although the series does to some extent break new ground.

OXFORD EASY ANTHEMS, edited by ERNEST BULLOCK. Designed for choirs of modest attainments. Many of the anthems are in only two or three parts, but they are all interesting to sing and musically valuable.

OXFORD CHURCH SERVICES, edited by HAROLD DARKE. A collection of new services and canticles, designed to supply an alternative to the well-known chants and responses, but without over-elaboration. The series thus provides a varied choice of interesting and musicianly settings.

TUDOR CHURCH MUSIC, edited by PERCY BUCK, E. H. FELLOWES, A. RAMSBOTHAM, and SYLVIA TOWNSEND WARNER. Performing editions of almost 100 numbers from the monumental ten volumes of the works of our Tudor composers—Byrd, Tallis, Taverner, and others.

MISCELLANEOUS CHURCH MUSIC. Anthems, carols, services, hymn books, hymn leaflets, psalters, chant books, and books and pamphlets for the church musician, which for various reasons cannot be included in specific series.

CHURCH MUSIC SOCIETY PUBLICATIONS. This society exists to facilitate the performance of music most suitable for different occasions of divine worship, and to make available the best of all styles. The Oxford University Press are publishers to the Church Music Society.

OXFORD ORGAN MUSIC. This famous series is stocked by all leading music dealers. New works are constantly being added, which maintain the very high standard already set, although they range from the highest to the lowest grades of difficulty.
